Dear Parent/Guardian

Grade 11 Textbook and Stationery Requirements 2021

Wendywood High School receives an annual grant from the Department of Education for learning and teaching study material (LTSM). This grant does not allow the school to provide a textbook per child per subject per year. The school has devised a payment scheme that will ensure that each child receives a text book for each of their subjects, at a cost far below the actual cost. You are required to pay an amount of R550 before 15 December 2020. This payment will ensure that your child/ward receives textbooks for the year.

Please note the following:

- The R550 is a once off non-refundable payment for the year 2021.
- This amount must be paid to the school before 15 December 2020.
- The cost of the books if you were to purchase this on your own will be well in excess of R1600.
- In order for the scheme to work, lost or damaged books must be replaced or paid for in full at the end of each year
- The collection of text books will take place for each subject on the day the last paper for that subject is written
- You are required to sign and return the acknowledgment slip regarding the contents of this letter when you make the payment before 15 December 2020.
- Textbooks will not be issued in 2021 if this acknowledgement slip is not signed and returned.
- Once payment has been made, a receipt will be issued and the signed acknowledgement slip must be produced when collecting textbooks.

Yours in Education

K. Pillay (LTSM Coordinator)

A. Tshitah (SGB Chairperson)
